APPEAL MADE FOR ADDITIONAL SERVICE FUND CONTRIBUTIONS

Eugene W. Barnes, general chairman of the Campbell Community Service Fund drive, stated this week that the drive for $14,000 has been extended. No time limit was set on the drive, however it was originally anticipated that two weeks would allow sufficient time to complete collections. "To date," Barnes said, "we have received slightly more than $2300. We had anticipated that two weeks, or until October 15, would be ample time to reach this goal. The apparent lack of interest on the part of some of the residents of the community is discouraging."

Barnes asked all persons to consider the drive as an effort to help the children of the community. "Often," he said, "the volunteer workers who approach residents for contributions are, in effect, asking the resident to help his own children." he emphasized the fact that 99 per cent of the funds collected goes directly to worthy local organizations. The only expense of the drive is a small amount for office supplies and secretarial help.

The drive has been broken down into two sections, a business and a residential solicitation section. The residential section has been further broken down into five units with a unit coordinator heading each section.

Organizations benefiting from the drive this year are the library, Boy Scouts, Girl Scouts, YMCA, Visiting Nurses' Association and the Family Sesvice Association.

MISSING GIRL RETURNS HOME

Betty Allen, Campbell girl who has been missing since September 24, returned home with her mother, Mrs. Mary Allen of 149 Dillon Ave., last Monday. Mrs. Allen states that her daughter had telephoned her Friday night from San Diego and that she left by train to pick her up.

No word had been heard from the girl for two weeks except a letter which she had written her husband last week telling him that she was staying in San Diego but not stating her whereabouts in the city.

The girl had left her home on the morning of September 24 when neighbors stated that they saw her enter a taxi at her home. An investigation by the sheriff's office disclosed that she had told the taxi driver that she was going to San Jose to stay with friends for a few days before continuing on to San Diego to take a position as companion to an elderly woman.

POSTOFFICE MOVES TO FOSSUM SHOE REPAIR SHOP

The Cambrian Corners post office sub-station has been moved from its former location in the Cambrian Appliance store to Fossum's Shoe Repairing and Variety Store. Mabel Fossum, co-owner of the establishment, will act as postmaster. Ruby N. Streight was formerly in charge of the office.

Parents May Attend Meetings On School Subjects

Parents of Campbell Union School District interested in knowing what Susie should learn in fourth grade or what Junior should do to make satisfactory progress in second grade will find some answers to their questions by attending the yearly group conferences now under way in district schools.

Purpose of the conference is to explain the subject matter of different grades to the parents. Parents meet with the teacher in the classroom for a discussion of work to be accomplished during the year. These group conferences will be followed by individual parent-teacher conferences where the parent may discuss the progress and problems of his own child.

Conferences at Moorpark School began this week for primary through fourth grade. Conferences for other grades will be scheduled later. Principal John Duncan reports well-attended meetings.

At Campbell, first grade teachers of afternoon session children meet with parents Tuesday, Oct. 24 at 3:15. Parents of morning session first graders meet at 1:15 on Wednesday. The work for the year has been summarized in a booklet which will be given to parents. Conferences for other grades up through sixth and possibly some seventh and eighth grade rooms will be scheduled before Thanksgiving.

San Tomas School is combining a series of evening conferences with pot luck dinners. Second grade parents, teachers and children will meet in the classrooms at 6:30 Thursday, Oct. 25. Following the dinner, children will be entertained in other rooms while parents discuss school problems with the teacher. A similar meeting for third grade will be held Oct. 26, followed by a first grade meeting Nov. 2.

Severo Hearing

The County board of supervisors has set 1 a. m. November 5 as the date for hearing of an appeal by Anthony Severo on a denial by the planning commission of a petition for rezoning property.

On October 3, planners turned down a request by Severo to rezone property on the Santa Clara-Los Gatos Road a pproximately 1300 feet south of Budd Ave. to a commercial zone. Servero wished to build a fruit stand and grocery store.

School Building Program Slowed By Lower Increase In Enrollment

Indications are that Campbell Union School District will not be able to complete in entirety its proposed five school building program. Superintendent William C. Henley, who recently returned from Sacramento where he discussed the district building program with state school officials says the Department of Education is taking enrollment for October 31 of this year to determine footage for new building projects. The figures will be used for computation even though buildings will not be ready for use until next year or later.

Enrollment in the district, Henley said, has not increased as rapidly as had been anticipated, due in part probably to building conditions and the tightened credit restrictions.

Major portion of the money earmarked for the program probably will be turned over to the district, Henley said, since building costs have risen. Lowest bid on the new Cypress school for the district was 30 percent above architects estimates made a year and half ago.

How many new schools would be completed could not be known until the district was officially informed by the state. Probably three, he thought. Completion of the existing schools would be a definite part of the program.

Local Riflemen Wins Award In National Contest

Cloyd Blanchard Williams, 18, of 422 Maple avenue, Campbell, has won the Distinguished Rifleman Medal, it was announced today by the National Rifle Association.

Young Williams first became interested in shooting about 12 years ago. As a member of the San Jose Rod and Gun Club, he climbed steadily through the 14 lower rankings to achieve Distinguished Rifleman rating—the top in junior shooting. Mr. W. M. Williams is the club instructor.

At present Cloyd, a member of the armed forces, is stationed in Washington, D. C.

Past Master Of Campbell Grange Greets Delegates

John C. Gordon, past master of the Orchard City Grange and master of the Santa Clara Pomona Grange, welcomed guests and delegates to the 78th annual State Grange convention in San Jose this week. Gordon, who resides on Florence Avenue, San Jose, cited incidents of the first State Grange meeting held in San Jose in 873 in his opening address.

He stated that at the time of the first grange convention in the state, total membership in the nation was slightly more than 2,000 members. "At the time of the first convention," he said, "the National Grange was only two years old. San Jose was the first Grange to be formed in the State and the tenth in the nation. Today, the National Grange membership is approaching the one million mark."

In quoting from early newspaper reports, Gordon told delegates that farmers were described as a "long-suffering, patient and forebearing group. They are far from being ignorant and will command the attention to which they are entitled."

He continued, telling his audience that 100 delegates attended the first convention. Attendance at the 1951 convention is estimated at 3,000 delegates and guests.

In private conversation following his introductory remarks, Gordon stated that the Orchard City Grange was the 333rd to be formed in the nation. Two charter members, Charlotte Sutter, and Mrs. Jessie Campbell, member of the family which founded the settlement of Campbell, are still living.

Marlene Strong Is Crowned Queen Of Harvest Festival

A light turnout saw Harold Estensen, chairman of the Campbell Merchant's committee, crown Marlene Strong Queen of the Campbell Harvest Festival last Friday evening. Marlene, sponsored by the American Legion, received a total of 13,229 votes, while the two princesses, Marialice Grim and Beverly Olson, received 9409 and 8626 votes respectively. The princesses were presented with twin radios through the courtesy of the participating merchants.

A spokesman for the festival committee stated that he wished to extend his thanks to all those who made the festival possible. Among those mentioned were the Campbell Grammar School for the use of the grounds, merchants' committee, Chamber of Commerce for use of wiring, participating clubs, all participating merchants and members of the festival committee.

The Junior Chamber of Commerce gave a vote of thanks to their queen candidate, Beverly Olson, for her work and representation of the group.

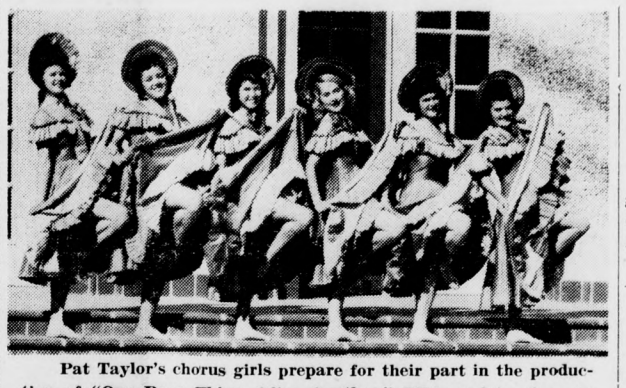
Group Returns With Two Deer

Peter, Sam and Joe Cefalu, coowners of the Campbell Liquor & Sporting Goods Store, and Mike Megna, all of Campbell, have returned from a week's hunting trip to Devil's Garden's in Modoc county. Megna brought back a five-pointer buck dressing out at 155 lbs. and Joe Cefalu brought in a two forked-horn buck dressing out at 100 lbs. The group stated that they returned from their hunting trip because of bad weather.

Elmer Hammer and Johnny Aikman, along with two fellows from Los Gatos, are reported still searching the wilds of Trinity County for deer. Mrs. Helen Saunders, visiting with Mrs. Hammer this week, reported the hunters brought out two nice sized deer late Monday night. They again packed up a fresh supply of canned food and set out for the hills again. The foursome is expected to return this weekend.

A NEWCOMER

A girl, Sheryl Joy, was born to Mr. and Mrs. Robert Maxwell, 1020 Munro Street, Campbell, on October 11 in O'Connor Hospital.



Pat Taylor's chorus girls prepare for their part in the production of "One Darn Thing After Another," PTA variety show to be presented at the high school tonight. Right to left they are Nancy Daniels,, Sandra Koch, Virginia Rhodes, Pat Taylor, Rosemary Magnasco and Marilyn Graham.

Ticket Sales Indicate Variety Show May Be A Sell Out At High School

Advance ticket sales indicate a full house for the production of the PTA variety show, "One Darn Thing After Another" at the high school auditorium tonight. The show, to be divided into two parts, will feature standard variety show productions of short skits, comedies, dance routines and songs in the first part and a narrated production of "Show Boat" in the second part. K. N. Wallace, drama instructor at the high school, will act as master of ceremonies and will narrate for the production of "Show Boat."

Jack Harris and Diane Pardue will assist Wallace in the opening skit, "Spotlight Sketches," which will include a chorus number by Pat Taylor's chorus girls. Glenell Walton will vocalize with the band to "Shanghai and John Biefeld will present popular piano numbers. Sandra Bray will then present several dance numbers followed by the Monotones, Ron Gilpatrick, Frank Cabral, Bob Ledum and Doug Brandt with vocal numbers. Other acts included in the first part of the show are a pantomime, a Hawaiian number, a skit by several teachers and various vocal productions.

Cast for the presentation of "Show Boat" will be lead by Ripple Langdon as Magnolia Hawks, Bob Adolpho as Gaylord Ravenal, Carol Bohnett as Julie, and George Nelson as Captain Andy.

Show starts as 8 p.m.

Kiwanis View Majorette Group Presentation

Members of JoAnn DeSoto's Top Hatter dance group presented a majorette program to members of the Campbell Kiwanis club at their meeting Tuesday noon. Judy Goold, 4-year-old Campbell girl, presented a solo number. The "Parade of the Wooden Soldiers" was presented by Barbara Lansdale of Campbell. Judy Goold, Kathy Stanford, Billy DeSoto and Barbara Lansdale presented a group number.

During the business meeting, members heard a report by Lt.-Governor Morgan on the Kiwanis convention held in San Diego last week. President-elect Laurance J. Hill presided over the meeting.

At their next meeting, Dr. Dwight Rugh, recently returned from Communist China, will speak to the club on some of his experiences.

IN HOSPITAL

I. O. "Mac" McConnell is in O'Connor Hospital recuperating from a minor heart attack.

IN KANSAS CITY

Mr. and Mrs. Dobie Jeffers are in Kansas City after journeying to Detroit to purchase a new car. They will return to Campbell by way of Texas.

Death Of Moreland School Child Causes Spontaneous Safety Drive

A spontaneous campaign to reduce traffic hazards to school children in the Campbell area has sprung up among various local groups. Moves by different organizations were apparently prompted by the death of John Schallich, nine-year-old Moreland school child, who was killed by an automobile on his way to school recently.

Latest organization to consider the campaign was the Campbell Junior Chamber of Commerce, who took sponsorship of a safety campaign under advisement at a meeting held last Wednesday night. The JC's were asked to cooperate with the concentrated drive of Santa Clara County Chapter of the National Safety Council in bringing their "Three E" safety campaign to public attention. Keynotes of the Three E drive are education, enforcement and engineering.

Other organizations which have taken action in the campaign are the Sixth District Parent-Teacher Association who met last Friday with county school and safety officials to discuss the matter and appointed a committee to survey safety hazards to school children; the Campbell Business and Professional Women's Club, who have requested the county board of supervisors to place a crosswalk on Campbell Avenue between the bus depot and the shopping center; the Moreland PTA, who has secured the services of a patrolman to guard approaches to the Moreland school.

Judge Martin S. Walsh, in commenting on the safety moves, remarked, "The greatest feature of traffic safety is driver education and courtesy on the road and strict adherence to these principals."

School authorities have stated that they are willing to cooperate in any manner with the various organizations and have emphasized the safety education programs in schools as a means of reducing hazards.

PAUL NELSON BREAKS BACK IN AUTO MISHAP

Paul Nelson, son of Hugh Nelson of 131 Dillon Avenue, is in O'Connor Hospital with a broken back as a result of an accident in Longview, Washington, when an auto the boy was driving was involved in a crash with a bus early last week.

Hugh Nelson received word that his son was injured in the accident and chartered a special plane to fly the boy down to O'Connor Hospital. His condition is described as "fair."

Hunts To End Pear Operations On October 25

Elvin A. Hansell, plant manager of Hunt's Cannery stated this week that he anticipates a close of the canning season by October 25. He stated that the company will make a sizeable reduction in the number of employees with the end of the pear season but that a maintenance crew and a crew to handle shipping from the plant would be maintained during the winter months.

Hansell also reported that the pear crop received by the plant to date could be described as satisfactory quality. He described the amount of pack to be average.

TWO YOUTHS FOUND GUILTY OF BEATING CUSTODIAN; THIRD IS ACQUITTED OF BATTERY CHARGES

Two youths, Raymond Van Gunden and Tom Duffy, were found guilty of charges of battery in attacking and beating Edward Kling, custodian at Campbell high school October 12 at approximately 11 p.m. A third youth, William Reaves, was found innocent of like charges.

Van Gunden was sentenced to 180 days in the county jail by Judge Martin S. Walsh following a hearing Monday afternoon. Van Gunden had pleaded guilty to the charges. Duffy was pronounced guilty by Judge Walsh at his trial yesterday afternoon. Reaves, who had entered a plea of not guilty with Duffy, was acquitted by the court following testimony by witnesses.

Leslie Smith, witness for the defense, stated that he and Reaves were sitting in Reaves' car at the time the fight started. He said that he and Reaves left the car later to watch the fight, but did not enter into it.

Judge Walsh, in pronouncing judgment, stated that testimony on the part of witnesses led the court to believe, beyond doubt, that Reaves was not directly connected with the attack. "None of the witnesses have been able to identify Reaves as one of the men who was kicking Kling," he said. "In the case of Duffy, however, the court has heard direct testimony which states that Duffy was one of the men who kicked Kling." During testimony by Duffy, the defendant admitted kicking Kling.

Judge Walsh set Monday, October 22, at 2 p.m., as time for pronouncing sentence on Duffy.

According to testimony given during the trial, Van Gunden, Duffy, and three other youths attacked him when he attempted to stop a fight between them and Leonard McCulley. McCulley had left with his father when Van Gunden kicked Kling and knocked him down. He and the other youths then kicked and hit Kling about the face. McCulley and his father had driven around the block when they saw Kling being beaten and they left the car to assist him. Kling managed to escape the gang and reported the mishap to Superintendent L. J. Hill who called the sheriff's office.

Constable E. E. Lanphear approached the boys and placed several of them under arrest as sheriff's deputies arrived on the scene.

A juvenile involved in the case has been turned over to the juvenile authorities.

LOCAL WOMAN LOSES FINGERS IN CANNERY

Mrs. Alice Hensen, 74, North First Street, lost two fingers on her right hand as a result of an accident Monday morning in Hunt's Cannery. According to cannery officials, Mrs. Hensen was stationed on a pear peeling machine when gloves which she was wearing became entangled in the peeler, drawing her hand into the machine. She was given emergency treatment at O'Connor Hospital. The physician in attendance stated that Mrs. Henson's condition was "satisfactory".

Ray Wood Named As Assistant Postmaster Here

Campbell Postmaster Ira Grim announced this week that Ray Wood has been appointed assistant postmaster of the Campbell office. Grim stated that the appointment was made on the basis of seniority.

Ray Wood has been with the postoffice since July 17, 1928. He and Mrs. Wood have two married sons and one daughter, Lorraine, who is a student at San Jose State. The Woods reside on Rincon Ave. and Ray is a member of the Campbell Post of the American Legion.

Local Teachers Attend Meeting

Frank D. Meiss, metal shop and farm mechanics instructor and Albert B. Smith, agricultural instructor at Campbell Union High school attended the meeting of the South Coast Region of the California Agricultural Teachers Association held at the new Willow Glen high school in San Jose last Saturday. Seventy-five schools in Santa Barbara, San Luis Obispo, Santa Clara, Santa Cruz, San Benito, Monterey, Alameda, San Francisco and San Mateo counties.

The meeting was called to order by the regional president, Ray Garrett of Hollister. The group was given a welcome address by Bob Buchser, principal, Willow Glen high school.

The group then heard short talks from W. J. Maynard, special supervisor of Veterans Training, G. A. Hutchings, Regional Supervisor of the Bureau of Agricultural Education, C. A. Cazaly, president of the California Agricultural Teachers Association and Lionel Cross, executive secretary of the National Vocational Agricultural Teachers Association.

In order to lay the foundation for their annual state convention next June, the group broke up into committees and studied and discussed vital issues concerning agricultural education. John LaJeunesse of San Jose, served as chairman of the Organization committee, Jim Williams, Lompoc, as chairman of Relationship committee Cyril Jorgensen, San Jose, Chairman of Professional Improvement committee, Sam Binsacca of Santa Cruz served as chairman of Curricular Committee.

After the committee meetings the group adjourned to the school cafeteria for a lunch and entertainment by the students of Willow Glen high school.

During the afternoon session the group heard a discussion of "Today's Pest Control Program" by Dick Moyer, of Moyer Chemical Company, David T. Raynor, Santa Clara County Agricultural Commissioner and Bernard Clind, Los Gatos.

NEW SCOUT TROOP

L. J. Hill, chairman of organization and extension committee states that plans are underway for the formation of a new cub pack and troop in the Union district.

OK's Shopping Center Here

The county planning commission approved a petition by Carbone and Parlato to rezone property located on Winchester Ave. by Rosemary Lane to a commercial zone Wednesday afternoon. The two San Jose realtors are planning to construct a six-unit shopping center at that location. The planners however, stipulated that the couple refrain from deviating from the plans submitted to the commission.

In other business, the commission denied a request of Frank Battaglia to rezone property located on the southwesterly corner of Almaden Road and Foxworthy Ave. to a commercial zone. They stated that road improvements would necessitate the use of a portion of the property involved. Battaglia had planned to construct a restaurant and night club on the site.

The planners also approved an application by E. H. Renzel for a permit to construct a sign on property located at the southwesterly corner of the intersection of Saratoga Ave. and Cox Road.

They also approved the change of name of Raseo Aramas to Cox Road.

Mrs. J. V. BROWN and Mr. and Mrs. RICHARD MILTON left Saturday evening to visit for a while with Mr. Milton's mother in Kansas City, Kansas.

Mrs. CECIL KEESLING and son MICHAEL of Palo Alto drove down Monday to spend the day with Mrs. Keesling's father, Mrs. J. L. RUHLEN of Sunnyside Avenue.

Mrs. FRANK COUPLAND of Hamilton Avenue is enjoying a two-month's visit in Battle Creek, Michigan, with her father, GARD ELDRID and her sisters and relatives. Before returning to Campbell, Mrs. Coupland will travel to Corpus Christi, Texas, where she will visit with her son, Chief Petty Officer ELDRID COUPLAND who is stationed with the Fire Division in the Navy. Mrs. Coupland is traveling by train.

Mr. and Mrs. THOMAS B. BYRNES and son, Dennis, 8, of Bakersfield, spent the weekend with Mr. Byrnes' mother, Mrs. C. C. BYRNES, of E. Rincon Avenue.

Mrs. ETHEL BULL, mother of Miss KATHERINE BULL, commerce instructor at the Campbell Union High school, underwent major surgery at the Palo Alto hospital Thursday.

Pfc. CHARLES KEESLING has been enjoying a three-week's furlough with his parents, Mr. and Mrs. JOE S. KEESLING and sister, Miss DOROTHY KEESLING of South Union Avenue. During his stay in Campbell, Keesling has also visited with his fiancee, Miss SHIRLEY GOLDEN, and other Campbell friends. Keesling has just completed a 30-weeks course of training in communications at the F. E. Warren Air Force Base in Cheyenne, Wyoming, after completing his basic training at Shepherd Field, Texas. Following his furlough, he will be stationed at Camp Stoneman, California, preparatory to joining forces in the far East. Keesling was graduated from Campbell Union High school in 1949 and was an apprentice carpenter before joining the armed forces.

ROBERT TURNER and HAROLD HILD of Hariet Avenue returned after enjoying a deer hunting trip to Oregon.

Mrs. EDNA F. SMITH of N. Second street traveled to San Francisco Thursday where she was the guest of her daughter and son-in-law, Mr. and Mrs. Walter E. Krohn. On Friday the trio went to Yosemite where they spent the weekend and enjoyed the perfect fall weather.

Miss LORRAINE WOOD, daughter of Mr. and Mrs. RAY WOOD, Rincon Avenue, has just been appointed treasurer of Mu Phi Epsilon, professional music sorority at San Jose State college.

The HOWARD LILLINGSTONs and RICHARD McCULLEN's entertained five young ladies over the weekend from Los Angeles, and while they were here, they attended the Stanford-UCLA football game.

Mr. and Mrs. MARTIN SHADLE of 8 Alice Avenue became the proud parents of twin daughters October 9 at 9 p.m., at the San Jose Community Service Hospital. The tiny girls, who have been named SARA LYNN and KATHRYN LOUISE, weighed in at four lbs., 15 oz., and 6 lbs., one ounce. Maternal grandmother is Mrs. C. C. BYRNES, while paternal grandparents are Mr. and Mrs. HERBERT SHADLE. Mother and daughters came home from the hospital Tuesday, October 16.

All interested ladies are urged to report at the Methodist Church Monday, October 22, for a "Packing Party" when clothing collected during the Clothing for Korea drive will be sorted and packed. Coffee will be served, but bring your own sandwiches so you can stay for the full day. Packing will start at 9 o'clock, according to Mrs. J. T. BARNETT. The clothing drive will end Sunday, October 21.

W. D. WHILSTER of E. Campbell avenue has recently sold his home. Future plans are still indefinite.

Weekend guests at the MacGregor residence in Campbell were Mrs. MacGregor's sister, Mrs. Luella Ryan, Mr. and Mrs. J. C. Trammell and children, Gail and Danny. Mrs. Trammell, a niece of Mrs. MacGregor's, is a resident of Gridley.

Mrs. OLIVIA MIRANDA of 16 Foote Street, has returned from a three months vacation to the Hawaiian Islands. While there, she visited with brothers and sisters and a son and grandchildren on the islands of Hawaii and Oahu.

Visitors in the E. C. MERRILL household last week were Mr. and Mrs .GEORGE W. ROBINSON of Merced. They brought their two children along for the visit.

Mrs. EDWARD PATRONSKI, the former Nelda Scott of Campbell, now residing in the East, announces that her daughter has been modelnig for the A&P Company and the Beechnut Company since she was 8½ months old.

Mr .and Mrs. W. C. BRYANT, of Casey Road, are expected to return from a trip to Nevada shortly and anticipate being in their home on November 1.

Approximately seventy gusets gathered at the Fred Smith home on San Tomas Road last Sunday to participate in the annual Smith family reunion. Among the guests were relatives from Alameda, Redwood City, San Jose, Santa Clara, Cupertino and Campbell.

The Union School District Home and School Club is sponsoring a get acquainted session in honor of teachers, members of the board of trustees and other school officials in the school cafetorium at 8 p. m. tonight. Interested parents have been urged to attend the session, according to a spokesman for the group.

Conference Called On Aged Problems

More than 1500 representative Californians from all parts of the state today had accepted invitations to attend the Governor's Conference on the Problems of the Aging in Sacramento October 15 and 16. Adrien J. Falk, San Francisco, conference general chairman, predicted attendance would approximate 2,500.

Conferees will include representatives of labor, management the professions, and the public, particularly persons who are acquainted with the problems which confront California's elder citizens and appreciate the necessity for a coordinated program to solve those problems.

The conference has been divided into ten principal divisions and 22 study and discussion groups. Divisions are community organization, education, employment opportunities, housing and living arrangements, income maintenance, mental health, physical health, recreation, social welfare services, etc.

Conference division and section leaders have been assembling related data for several months and this material will be placed at the disposal of the conference.

"America," Charles I. Schottland, director of the State Department of Social Welfare and chairman of the governor's conference staff committee, said today in commenting upon the significance of the conference, "is a changing nation in the sense that its populace is aging rapidly. That these changes are real and substantial is evidenced by preliminary reports of the 1950 census. We have always considered ourselves primarily a youthful people. And we have placed a premium on youth and tended to ignore the values of maturity.

"But as the nature of our populace changes, we must meet that change with a program which will enable us to provide opportunity and security for all our people.

"We Californians have done more than any state in the union to provide our elder citizens with economic security. The Governor's Conference on the Problems of the Aging will offer a splendid opportunity for a thorough, public discussion of all aspects of the problems and needs of older persons."

QUITO CLUB PLANS MEET TO INTEREST MEN OF AREA

A spokesman for the El Quito Club issued an appeal for all fathers of the district to attend the next meeting of the club to be held Sunday, October 21, in the home of Mrs. J. Perry of 18533 Paseo Tierra. The meeting will take place at 1 p.m. The spokesman stated that the purpose of the club was to interest all the residents of the area, and not the women alone, in building better civic feeling. Members of the organzation appointed Guy Boltz of Bucknall Avenue chairman pro-tem at their last meeting held Monday night. Also appointed to offices were R. N. Ward of Bucknall Avenue, co-chairman; Mrs. Nell Bachelder of 12649 Paseo Olives as secretary and Mrs. Kenneth Brown, 18532 Paseo Tierra, as treasurer.

Members discussed methods of decreasing traffic hazards to school children and a letter was sent to the county board of supervisors asking them to place a lower speed limit on the Saratoga Road. Action by the board on the matter is pending.

Mrs. Boltz announced that petitions for the formation of a lighting district in the Quito-Workman area are nearly filled and stated that approximately 150 signatures have been obtained. She also stated that while the club is not officially sponsoring the move, petition shave been on hand for residents to sign at each meeting.. Mrs. Boltz stated that submission of the petitions to the county board of supervisors is anticipated by the end of the week.

NEW HOUSING TRACT MAY START ON QUITO ROAD

Approval by the county board of supervisors of a rezoning recommendation may give the green light to construction of a new subdivision located on Quito Road and McCoy Avenue.

The American Homes Development Company of Burlingame, owners of the property, may come to a decision on the fate of the 50 acre tract following the expected approval by the board of supervisors this week. Rolland Bordon, president of the company, stated that a decision will be made next week whether to farm the lond or to continue proceedings to build a housing tract.

Main barrier in the way of future development of the tract is the reticence of loan organizations to accept four-percent veteran loans necessary for the development and sale of any future houses. Bordon stated that he expected to make a closer study of the situation later in the week and that a decision concerning the development of the land would be forthcoming.

The Hoe presses of 1855 had an hourly capacity of 20,00 copies.

$128,000 Will Be Spent On Better Fishing In State

Plans for the Department of Fish and Game to spend more than $128,000 of Federal aid money to provide better fishing in California have reached the programming stage, according to a joint announcement from the state agency and the U.S. Fish and Wildlife Service.

Funds for the cooperative research program come from the Federal tax on sport fishing tackle under the new Dingell-Johnson Act. Money is allocated to the states on the basis of geographical area and number of angling licenses sold.

Along with Minnesota and Michigan, California qualifies for the maximum D-J grant, with more than $128,000 expected in the 1951-52 fiscal year. About $40,000 in matching funds will be provided with State proceeds from the sale of angling licenses.

William Dill, supervising biologist of the State Bureau of Fish Conservation, is holding a series of conferences with William Peck, D-J Act coordinator, Robert P. Boone, regional supervisor of Federal aid projects, and Samuel Hutchinson, assistant regional director, U. S. Fish and Wildlife Service. They have outlined a series of projects which will better sport fishing in California through research and habitat improvement.

Dill stated that the first of the projects should be under way by January 1, 1952.

SERVICE NOTES

Donald Watts In Naval Air Strike On Korean Reds

The United States Navy disclosed today that Lt. Commander Donald L. Watts of 745 El Solyo St. has been engaged in fighter plane raids against communist held positions in Northwest Korea. Watts, who is stationed aboard the USS Bon Homme Richard in Korean waters, has lead several strikes against the enemy.

In an October 9 raid on a vital communist held mining center three miles northeast of Songjin, Watts lead his squadron of Corsair fighters on a concentrated attack against raid anti-aircraft positions. An official Navy release describes the engagement:

"Diving on targets sheltered on all sides by 5000 to 7000-foot high mountain peaks, Corsair fighters, led by Fighting Squadron-874, under the command of Lt. Commander Donald L. Watts, began the concentrated attack, diving out of the sun to knock out red anti-aircraft positions. Direct hits were scored on the batteries by members of the squadron. The heavy load carriers, Navy Skyraider dive-bombers, followed the flak suppressing F4U Corsairs, pin-pointing their 2000 pound bombs and flaming napalm on the enemy mining camp and troop center. When the Bon Homme Richard pilots left they had completely destroyed or damaged a total of 31 key buildings in the camp.

On the return to their floating air base, the fliers sighted three locomotives and 15 cars which had been stopped by previous flights. They inflicted additional damage to this train by strafing attacks."

Col. RAY CARR, of Ramatar Avenue, Campbell, is stationed at the U. S. Naval Air Station at San Diego.

Cpl. Danny Hill of San Tomas Road is expected to leave Korea for the U. S. shortly on the rotation plan.

LOREN WARNING SERBES ABOARD USS ESTES

Serving aboard the amphibious force flagship USS Estes with Amphibious Group One is Loren R. Warning, gunner's mate seaman, USN, husband of Mrs. Marian Louise Warning of 340 South Union St., and son of Mr. and Mrs. A. G. Warning, of 351 West Campbell Ave., all of Campbell.

Warning received his recent training at the U. S. Naval Training Center, San Diego, in October, 1948.

This group has planned and executed every major amphibious operation of the Korean campaign. The command was conducting training exercises off the coast of Japan at the outbreak of hostilities last year. In less than 10 days, Group One planned and carried out the landing of UN forces at Pohang-Dong, Korea.

In later action, the group carried out the landings at Inchon, Wolmi-Do and Wonsan, and the redeployment of UN forces from Hungnam, one of the Korean conflict's most historic operations.

Local Pastor To Head Convention

The San Jose Southern Baptist Association named Edward Townsend pastor of the First Baptist Church, Campbell, as Moderator.

Rev. Edward Townsend

Other officers are J. C. B. Hendon, Gilroy, Vice-moderator; H. S. Giffin, Palo Alto, Clerk; W. D. Armstrong, Redwood City, Program Chairman; H. E. Lass, Palo Alto, Treasurer; Woodrow Phillips, Gilroy, Sunday School Superintendent; Joe Jackson, San Jose, Training Union Director; Charles Griffith, San Jose, Brotherhood President; James A. Chambers, Gilroy, Organizer for Evangelism; Mrs. Guy Phillips, Morgan Hill, Woman's Missionary Union President and James R. Warren, San Tomas, Youth Rally Pastor.

Last Rites For Jack Perry

Last rites were held in Sebastopol Friday for John F. (Jack) Perry, 68, former Campbell resident. Perry died October 9 of a heart attack.

He came to Campbell in 1902 and moved to Sebastopol 21 years ago. During that time, he spent several years in Oakland. He was a native of Massachusetts.

The first printing press was imported into this country in 1639.

Department OK's New Regulations

Federal waterfowl hunting regulations for the Pacific flyway, including a daily bag limit of six ducks during a continuous 60-day season, have been accepted by the California Fish and Game Commission for 1951.

Under the Federal-State regulations, waterfowl hunting begins at noon, Friday, October 26, and ends one hour before sunset, December 24. Along the Colorado River, the hunting season was set between November 7 and January 5 to harmonize with Arizona hunting regulations.

Except for the noon start on opening days of each season, shooting begins one-half hour before sunrise and ends one hour before sunset.

Bag and possession limits are six ducks in the aggregate of all species. Only one wood duck may be possessed at any time.

The daily bag and possession limit of six geese may include a maximum of two Canada geese or its subspecies; or two whitefronted geese; or three brant; or a mixed bag of one Canada goose or its subspecies and two brant; or one whitefronted goose and two brant.

At the suggestion of Commissioner William J. Silva of Modesto, State fish and game commissioners added the following description to the Federal goose possession limit:

"Or sufficient numbers of snow geese added to any of the above listed combinations to make a total of six; or six snow geese."

Bag and possession limits on coots was set at 15, and on mergansers, 25.

Shooters over the age of 16 years must have a Federal waterfowl hunting stamp, available at Post Offices, and a State hunting license, sold at 3,000 license agencies throughout California.

Disease Rate Shows Increase

During the week ending October 6, 1951, a total of 32 cases of communicable diseases were reported to the Santa Clara County Health Department. Chickenpox showed a slight increase with 8 cases reported as compared to 2 cases the previous week. Polio dropped from 5 cases reported the previous week to 2 cases. One of these polio cases occured in Palo Alto and the other in Los Altos.

Other diseases reported include 6 cases of gonorrhea, 3 mumps, 3 German measles, 6 syphilis and 4 tuberculosis cases.

John L. Hooper, of New York, the first advertising agent, began business in 1841.

Los Gatos Man Injured In Auto Crash Sunday

George Bristol, Route 1, Box 593, Los Gatos, was taken to the county hospital last Saturday night with major injuries received in an auto accident on Union Ave. and McGlincey Lane at 11:20 p. m. A passenger in the auto, Martin Galanda, 271 East H St., Benicia, also received major injuries and was taken to the hospital. Bristol was traveling north on Union Ave. when he struck a light pole.

Lois M. Perry, 18, of 16377 Shannon Road, Los Gatos, was taken to O'Connor Hospital with minor injuries following an auto accident with a car driven by Paulnie Jones, 1295 Hedding St., San Jose, on San Jose-Los Gatos Road north of the Almaden-Los Gatos Road at 5:30 p. m. Sunday.

Martie Gregory, 44, 141 Winchester road, Campbell was taken to the County Hospital Wednesday with major injuries received in an accident on the Saratoga-Los Gatos road at the intersection of Big Basin Way. Gregory's vehicle ran off the road and struck a concrete post.

Leslie Victor Quinn, 24, of 240 Harding street, Los Gatos, ran off the San Jose-Los Gatos road at the intersection of Campbell avenue midnight Wednesday night in another auto mishap. No injuries were reported as a result of the accident.

Night School To Open For Cagers

Requests by players and teams of the Campbell Basketball League have brought about the institution of an evening class in basketball instruction and practice. Team members had previously expressed the desire for pre-season practice for the league which is scheduled to open in December. The night school, under the direction of Buc Cage Mentor Bert Robinson, will open on Tuesday, October 23 and will run each Tuesday and Wednesday night from 7 to 9:30 p. m. School officials stated that the class will be operated on the same basis as a regular evening class with a $1 registration fee required of each person entering the class. Registration will be held on the opening night of the class. Emphasis will be placed on practice and instruction.

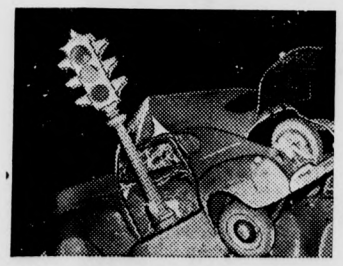
Watch out—the time you save by speeding may be spent in the cemetery. According to official traffic records, speed is the most frequently reported violation in fatal traffic accidents.

So exercise your foot someplace else than on the accelerator. Remember that a speeding car is harder to handle, takes longer to stop, does more damage. Make it a point to drive at safe speed . . . always.

When driving conditions are bad, *safe* speed is often much lower than the legal, posted limit. Be sure to slow down when weather or visibility is poor. It may take a little longer—but chances are you'll live a lot longer.



Lights out for another speed merchant. Somebody tried to outguess a traffic light and now somebody is dead. Don't let this happen to you. Slow down at intersections. Remember—when you step on the gas instead of the brakes, it may be your last step.

Too late for the doctor. This driver couldn't wait. He speeded past another car on a hill, and look what happened! Remember this and be extra careful. Don't pass on hills or curves. Don't weave in and out of traffic. Always drive at a safe speed.

BE CAREFUL—
the life you save may be your own!

The winless Campbell Bucs may have their first chance to break the jinx which has been following them when they tangle with the Santa Clara Panthers this afternoon. The Panthers, while due a certain amount of respect, have not shown an impressive record to date. They have two losses, a 12-13 closie with Santa Cruz and a not so close 14-7 loss to Washington. On the black side of the ledger, however, the 51-6 walloping they gave to San Jose Tech merely proves that a team which is not too strong beat a team which was even weaker. The Bucs, with even less to boast of in their three losses, might still do it. The addition of Gary Hingley, six foot, 175 lb. ace fullback up from the JayVees, might provide the necessary strength in the end position which the locals have been lacking. The switch of Tony Musladin to fullback position also might give the Bucs a little added speed to their ground attack. Tony has starred as a 10.2 sprint man for the thinclads.

Jim Muir still claims that his boys have the stuff to do it if he can only find the right combination. And Muir has been looking for just that combination on the practice field this week, trying out different men in different spots.

One of the greatest handicaps to the local eleven has been their lack of "umph" when needed most. With the exception of a greatly needed pass defense, the boys have performed remarkably well for a green squad. Few teams have been able to gain much through the center of the line and have had to resort to end sweeps and aerial attacks to break up the game. On the offensive side, though, the locals have shown much to be needed. That strategic punch needed to put the ball over the last few feet has been lacking in many cases.

Biggest beef on the top of our list is what the boys with the final say have done to the PCC during the past few years. Not content with relegating the rose bowl to an intersectional contest between the top teams in two conferences, they have made it impossible for a team which shows the stamina and sustained power to compete in the bowl more than two years in a row. Case in point, of course, is the wonder Bear team of Pappy Waldorf. It only seems fair that a squad that has the ability to go as far as Pappy's boys have deserves another crack at the bowl if they prove they are worth it.

Another statement that sticks in our throat is the talk that Stanford is the team for the bowl this year. While the Indians have shown a world of improvement since their first game with the Spartans, they still have their toughest games ahead of them. Troy and the WSC Cougars may gather an Indian scalp before the Cards get to smelling roses.

The power of air supremacy was ably demonstrated by the Lions last week when they tromped all over the JayVees, 33-7. Junior Morgan's boys found their defenses powerless against the short Lincoln passes and the sweeps which the Lions kept coming their way. Despite a line which seemed capable of stopping anything the Lions tried, a weakness in pass defense and the end spots kept the locals from stopping their opponents. On the forthcoming game with Willow Glen Thursday, Morgan surprised us with the talk that anything could happen. The locals trounced the WG's in their first tilt, but Morgan was still singing the blues. "Too much can happen to either of the teams to do any forecasting," he told us.

Noteworthy of our neighboring town of Los Gatos, is the feat of auto dealer Spotswood in bringing back an elk and a moose from a hunting trip last week.

BUCS DUMPED BY COMETS, 18-0; PREPARE FOR PANTHER CONTEST

The Lick Comets kept their winning streak alive last Friday by running over the Campbell Bucs, 18-0, on the winners' field. A valiant Buc squad held their opponents to a six-point lead at the end of the third period, but failed to stop them in the final period.

The first Comet score came within five minutes of the half when the Lickmen recovered a fumbled punt by Rhodes. A fifteen-yard penalty set the locals back on their 12 and Roy Tanabe went off tackle for the first score of the contest.

A 70-yard run by Art Hernandes set up a score for them on the Buc 10, but a hard driving Campbell line gave up only two yards in four plays to stop the attempt.

In the last five minutes of the game, a 12-yard dash by Hernandes gave the Comets their second score and a final minute pass by Sonny Azcarate to Escobar gave the Comets 70 yards and a final TD.

In the preliminary, the Lick B's triumphed over the locals when a bad pass from center gave the Comets a safety for a 2-0 win.

A fumble in the first quarter of the varsity tilt stopped a Buc drive on the 30 when Rhodes broke into the open but bobbled the ball when he tried to go all the way. Another fumble in the second period by Farruggia stopped the only other Buc drive on the Lick 25.

Buc mentor Jim Muir stated that the Comets beat his team in the second half. "We held them nicely in the first half, and statistics show that both teams were within two yards each other with our 62 yards to their 64 yards," he said. "Our passing attack was off, though, and they stopped our running attack by shifting into an eight man line."

Muir has been working over the Buc's passing attack this week in an effort to out-pass the Santa Clara Panthers today. He said he was worried over the Panthers' passing attack as well and had worked over the passing defense.

Several changes have been made in the Buc line-up in an attempt to hit the winning combination. Tony Musladin, sprinting ace, has been moved to the fullback position and Larry Pereira has been switched over from right half to left half to fill the vacancy. Gary Hingly, star JayVee fullback, has been given a spot in the end post and Ron Webb, six foot, 190 lb. sophomore, is slated to fill the vacancy left by the injury of Ron Eddlemon in an auto accident last week.

"We don't expect to have an easy game of it today," the Buc coach said, "but we could win it if we get the right combination and work up enough aggressiveness." He expects the Panthers to use their running attack quite extensively utilizing the prowess of left half Ed Alario. Quarterback Golden will probably head the Panther attack.

CAGERS SPLIT WITH PANTHERS

The Buc 110 cage squad broke into the winning column last week by dumping the Santa Clara Panthers, 22-12. The win, first of the season for the locals, followed a defeat at the hands of Willow Glen earlier in the week. The Buc squad took an early lead and held it throughout the contest. In commenting on the game, Coach Bert Robinson stated that the Panthers didn't have too much, but that his own boys performed well.

In the 120 tilt, the Panthers rode rough-shod over a fighting Buc squad to take a tight 20-25 contest. The Panthers took an early lead, but the Buc squad tightened up their game to bring the third period score to 17-18. Loss of several players in the final period on fouls proved too much for the locals though, as their opponents pulled away in the fourth quarter. Robinson stated that the game was a rough, hard-fought contest, but with too much sloppy playing on the part of the locals. "We've got some good individual players on the squad but they've got to learn more teamwork." The Buc coach said that Hoover will be back in the line-up within a few days, but that Andrews may be out longer because of a pulled back muscle.

Spartans To Meet Idaho Saturday

San Jose State flies to Moscow, Idaho, this week for a Saturday afternoon meeting with University of Idaho. It will be the second game between the Spartans and Vandals. In 1946, San Jose tripped Idaho, 26-14.

The Spartans, who lost to USF Friday for the second time this season, 42-7, will be after their second win of the season. Idaho will also be seeking its second victory in five starts.

The Vandals, a strong defensive club, will be tested by no less than four different styles of Spartan attack. San Jose has used the orthodox T, Split-T and a variation of the single wing and Friday Coach Bob Bronzan came up with a new spread formation which tantalized U.S.F. and titillated the fans.

Although the Spartans may still be without Lynn Aplanalp, they will present a strong passing front initiated by Jerry Hamilton, who completed nine of 21 for 131 yards against the Dons. Hamilton also gained 78 yards in seven running attempts. His net gain was sliced by 51 yards lost when trapped while attempting to pass.

The Spartan running game will be spearheaded by Frank Moriss, 198-lb., 6 ft., 3 in. fullback whose 45-yard run against USF was the top Spartan gain of the night. Morriss has averaged 9.4 yards in 18 carries this season and also is the leading San Jose pass receiver and scorer.

The Spartan defense was riddled in the U.S.F. game by the absence of the top three Golden Raider linebackers. Injuries kept Dick Bondelies and Bruce Halladay out of uniform and Tom Cuffe was sidelined on the first play. Cuffe and Halladay may be back Saturday. Bondeliee is out for two more weeks.

Guard Dempsey Farrier and Fullback Bob Amaral, who also missed the U.S.F. game, may be ready to go against the Vandals. Aplanalp's infected eye may be well by Saturday, and if it is, he and Hamilton will give the Moscow Dad's Day crowd a treat operating the action-packed Bronzan spread.

A 44-man Spartan party will fly to Moscow Friday via chartered plane.

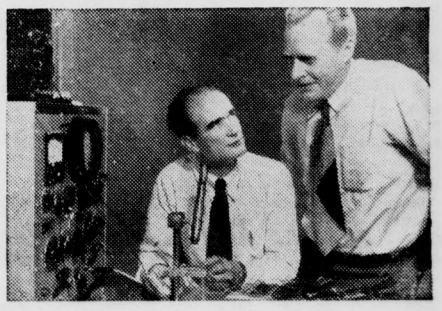
We're stretching our available supply of metals and other critical materials by every means science can devise.

MORE STRENGTH FOR OUR NATION

How we're saving the materials our country needs for defense

1. Copper for cables and wires...rubber for insulation...aluminum for dials—the telephone system requires vast amounts of the materials which are also badly needed by other defense products. Naturally, since the telephone is such an important military and production tool, we get a quota of these materials. But to keep building a strong communications system, we must conserve in every way we can.



2. Scientists are at work on this task...in telephone laboratories and manufacturing plants. By substituting other materials for critical ones, by discovering ways to use smaller amounts of the shortage items, they've come up with some amazing savings. It's estimated that, in 1951, the Bell System will save 2,700,000 pounds of rubber, 3,250,000 pounds of copper, 210,000 pounds of aluminum—to name just three.

3. Efficient telephone service, the kind that can pitch in and help all the nation in times of need, is the result of just such little things as using steel instead of aluminum in a telephone dial. It's the result, also, of keeping the telephone system financially strong. Over the years, such financial strength has been the foundation of our ability to serve. It has enabled us to produce telephone service that's better than ever, produce more of it than ever, and sell it at prices which have gone up far less than other things.

ROTARIANS GIVEN BACKGROUND OF IRANIAN-BRITISH OIL CONFLICT

Victor Elias, native of Iraq, explained the background of the current Iranian oil crisis to members of the Campbell Rotary Club at their Monday luncheon meeting. Elias, who is currently studying at the University of Santa Clara, stated that the crisis stems, in part, from exploitation of the Iranians by the British Anglo-Iranian Oil Co., whose majority owner is the British government.

"The British," he said, "paid an original sum of only $20,000 to the Iranians for oil extraction rights. This price was based on a sixty year lease. British interests then formed what is known as the Anglo-Iranian Oil Company. After World War I, at the insistence of Winston Churchill, the government bought 51 percent of the stock of the company."

He told club members that the Iranian government was slated to get a large loan from the United States following World War II but investigation by American officials revealed that they considered Iranian government practices too corrupt and wealth too concentrated to grant the loan. "With all hopes of receiving a loan from the United States gone, Iran began casting about for other means to replenish their funds." Since the oil industry is the greatest Iranian industry, the government naturally sought to get greater returns from it. Elias stated that the annual net of the company was $300,000,000. Of this amount, the British government received more in taxes alone than the total of the Iranian receipts which was set at 5 percent of the net profits.

Elias said that the Iranians are asking for an Iranian head for the company and the British have opposed this move. Thus the Iranians in charge would be nothing more than a titular head under British supervision.

"British control of this billion dollar industry has contributed vastly to the delinquency of the Iranian government," Elias said. He continued to state that the British government is guilty of economic oppression in the Iranian dispute. "In addition," he said, "the poor foreign policy of the United States has contributed greatly to disputed topics in the conflict."

During a question and answer period following his talk, Elias stated that the Iranian government is just as much justified in breaking its contract with the British government as that government was justified in breaking contracts with its own private industries when they started their present policy of nationalizing British industry. "One cannot place blame on one party without also admitting blame in the other camp. In addition, due consideration is usually a part of a good bargain to which one might be expected to abide—but it can hardly be said that $20,000 is 'due consideration' for such an immense holding."

Elias also told of the emergence of various political parties in Iran stating that perhaps the most important party to come on the scene was the Tudeh or Iranian communist party. "Russia," he said, "is just waiting for a chance to make the kill in Iran."

Henry Ramp was student guest at the meeting. Other guests included Ralph Hyde and two guests from Davis, California.

Members were reminded of the joint meeting to be held with the Campbell Lions and Kiwanis on October 30 in the Country Women's Club house. Charles Dirksen of the University of Santa Clara Business School will address members at the October 22 meeting.

SCOUT NOTES

Congregational Church Boy Scout Troop 31 and Moorpark Troop 26 returned from a week end camp trip at Portola State Park. Scoutmasters E. B. Mortensen of Troop 26 and Bob Beck of Troop 31 reported good camping weather and stated that the group accomplished work on many of the scouting activities.

Chairman Jim Avila held a troop committee meeting of Troop 33 at his home last week to discuss plans for expanding his troop. Scoutmaster of the group is Harry Hammond.

Cub Pack 9 of the Congregational Church is holding a paper drive to gain funds to purchase equipment for the pack, according to Cubmaster Mervin Willoughby.

All cub leaders of the district have been invited to a cub leaders' "Pow-wow" to be held at Jefferson Union School on November 17.

Homer Hyde, district chairman, has announced a barbecue to be held for the district committee at its next meeting on November 1 at the Sewell Brown place on Vasona Ave. Dinner will be followed by a regular meeting to be held at the scout hall there. Guest speaker will be Harrald Alvord, deputy regional executive.

Auto Accident Tables Campbell Grid Center

Ron Eddlemon, first string center for the Buc gridders, was injured in an auto accident Friday night when the car he was driving crashed into a service station light pole. He was taken to O'Connor Hospital where he received treatment for cuts in his knee and head. His mother, Mrs. Eddlemon, reports that he progressing satisfactorily and that cuts in his knee are expected to heal sufficiently to allow him to return to the football squad within a few weeks. Coach Jim Muir has expressed fears however, that the center may be out for the season and has assigned Ron Webb, six foot, 190 pound sophomore, to fill his spot.
